25. Council Comments

26. Adjourn _____ P.M.

The City Council of the City of Brigantine reserves the right to consider, discuss and/or take any formal action upon resolutions or ordinances not appearing on the printed agenda.

**CITY OF BRIGANTINE
ORDINANCE NO. 16 OF 2024**

**AN ORDINANCE AMENDING CHAPTER 284 OF THE CODE OF THE CITY
OF BRIGANTINE AS IT RELATES TO HANDICAP PARKING SPACES**

WHEREAS, State statute specifically allows municipalities to establish restrictive parking zones in front of residences occupied by handicap persons; and

WHEREAS, a request has been made to the City of Brigantine concerning such a handicap parking space; and

WHEREAS, implementing this Ordinance would be a benefit to the health, welfare and safety of the residents of the City of Brigantine and the individual who needs the use of said handicap space; and

WHEREAS, the space set forth in this Ordinance has been investigated by the Brigantine Police department who have recommended the same.

**NOW, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF
BRIGANTINE IN THE COUNTY OF ATLANTIC AND STATE OF NEW
JERSEY AS FOLLOWS:**

SECTION I: Section 284-59 of the Code of the City of Brigantine shall be amended be adding the following space as a designated handicap space within the City of Brigantine:

NAME OF STREET
103 30th Street

LOCATION
Twenty (20) foot area
In front of the property
located at 103 30th Street

SECTION II: Upon adoption by the City Council of the City of Brigantine of this Ordinance, the Department of Public Works and all other appropriate entities area authorized to take any and all steps to erect the appropriate signs designating the above space as a handicap parking space and to take any other action to fulfill the intention of this Ordinance.

SECTION III: Severability

If any section or part of this Ordinance is deemed to be invalid or illegal in any court or competent jurisdiction then said part is severable from this Ordinance as a whole and the remaining selections or parts of this Ordinance shall remain in full force and effect.

SECTION IV: Repealer

All Ordinances or portions thereof inconsistent with this Ordinance are hereby repealed to the extent of said inconsistency.

SECTION V: Effective Date

This Ordinance shall take effect after final adoption and publication as prescribed by law.

INTRODUCTION: October 2, 2024

ADOPTION: October 16, 2024

ATTEST:

CITY OF BRIGANTINE

RESOLUTION 2024-166

RESOLUTION OPPOSING THE PROPOSED “PROTECTING AGAINST CLIMATE THREAT (PACT)/RESILIENT ENVIRONMENTS AND LANDSCAPE (REAL)” RULES

WHEREAS, the City of Brigantine opposes the coastal rules proposed by the State of New Jersey. These rules will impact the availability of affordable housing, result in environmental equity issues, deter economic development, impose an unnecessary layer of State regulation, potentially require New Jersey homeowners to obtain flood insurance; and have other harmful impacts on the residents and businesses in New Jersey; and

WHEREAS, The City of Brigantine acknowledges that climate change and sea level rise are a documented risk to the coastal zone of New Jersey and its barrier island communities, requiring thoughtful and well-reasoned response from all levels of government; and

WHEREAS, the City of Brigantine continues to respond to the threat of tidal flooding/major coastal storms by practicing the highest standards of coastal resiliency and floodplain management in all County critical infrastructure and building projects, while also providing the necessary support to our local communities in the approach, duration, and wake of major coastal storms through our Office of Emergency Management and Public Safety Departments; and

WHEREAS, initiated through Governor Murphy’s Executive Order 100, the New Jersey Department of Environmental Protection (NJDEP) has produced a 1,057-page rule proposal policy document known as NJ PACT (Protection Against Climate Threats)/REAL (Resilient Environments and Landscape) to expand flood hazard areas (FHAs) statewide and implement higher floodplain management regulatory standards beyond the local and existing FEMA standards; and

WHEREAS, these rules establish expansive inundation risk zones that the State is claiming will be under water in 75 years. Not only would development there, including redevelopment, expansions, and substantial reconstructions, be subject to elevation (six foot above base flood elevation), more stringent building requirements, alternatives analysis, and deed notices, but they would be subject to a 3% impervious cover standard for the site in most communities. Impervious cover includes the building, parking, driveways, and sidewalks. The imposition of these stringent limitations, especially the 3% impervious cover standard, effectively makes the IRZs “no build” zones. Cumulatively, along with other requirements on infrastructure, these rules will have the effect of requiring, or at least driving a retreat; and

WHEREAS, historically, new rules issued by the NJDEP have always been promulgated pursuant to legislation through the typical legislative process; and

WHEREAS, in this case, like the NJDEP's recently proposed Shore Protection Rule, there is no legislation that authorized the NJDEP to require more stringent requirements than the federal regulations that are now in place; and

WHEREAS, these rules as currently written do not consider the economic impact these new standards may have on the ratables, real-estate values, development, and redevelopment statewide, but especially in Atlantic County where we have greater than \$30 billion in net ratables and greater than \$8 billion in annual tourism spending according to the New Jersey Division of Tourism. Tourism is the largest industry in Atlantic County; and

WHEREAS, the proposed rules also do not account for the impact these higher regulatory building standards will impose on historic structures and historic districts in the City of Brigantine, throughout Atlantic County, and State of New Jersey; and

WHEREAS, the State of New Jersey must also consider the burden these new rules will have on coastal municipalities, especially within their local construction offices, due to the additional duties and responsibilities of enforcing these higher regulatory standards that will likely result in the need to hire additional staff or enter additional public/private contracts; and

WHEREAS, these rules will also increase construction costs and impact the feasibility for public infrastructure projects with the minimum construction height requirements for new roads in excess of Base Flood Elevation (BFE) plus six feet freeboard, will be infeasible and unachievable given the path and location of the project; and

WHEREAS, despite the burden these rules will inevitably play on our coastal towns, the State of New Jersey has not mentioned any plan for a State budget appropriation to assist coastal towns statewide with the additional duties and functions imposed through the proposed NJPACT/REAL rules; and

WHEREAS, the proposed expansion of flood hazard areas will also create additional financial burdens for lower and middle class property owners living in the City of Brigantine by imposing more restrictive building standards accompanied by engineering assessments and alternatives analyses within the newly expanded regulated areas and may also potentially result in higher insurance premiums given the expansion of the inundation risk zone and increase of the regulated flood hazard area limits by 5 feet vertically; and

WHEREAS, the proposed NJPACT/REAL regulations are based Science and Technical Advisory Panel Report (2019 STAP Report) entitled, "New Jersey Rising Seas and

Changing Coastal Storms,” projecting sea level rise for the year 2100 exceeding 5.1 feet, which has a probability of occurrence of approximately 17%; and

WHEREAS, since the 2019 STAP Report several key studies on sea level rise were issued as was the International Panel on Climate Change (IPCC) Assessment that addressed sea level rise. Professor Bob Kopp, the primary author of the 2019 STAP Report, was an author of one of the more recent studies as well as the IPCC report. The more recent studies do not support the idea of a 5.1 foot sea level rise as being likely; and

WHEREAS, The IPCC and all the newer scientific reports predict that worldwide sea level rise this century will be 0-2 feet; and

WHEREAS, potentially pushing fixed income residents out of their homes based on the 17% probability of an 80-year sea level rise projection should be taken more gradually with a higher percentage of probability and likelihood of occurring; and

WHEREAS, municipalities are required to prepare Master Plans for a 20- or 30-year planning horizon, and the City of Brigantine strongly recommends a similar time horizon for rules based on sea level rise projections; and

WHEREAS, the City of Brigantine, like a lot of Counties and Municipalities nationwide, are experiencing a housing crisis due in part to the high cost of housing, and these requirement will significantly increase the cost of housing, making it difficult if not impossible to provide affordable housing for the region’s workforce; and

WHEREAS, the NJDEP’s proposed expansion of flood hazard areas limits the potential capacity of mixed income housing development and even prohibits development in most coastal areas where there is already statutory affordable housing obligations imposed through fair share housing laws, especially as inland development centers are being reduced in size via the State Planning process; and

WHEREAS, the proposed coastal regulations will create an Environmental Justice issue since local residents will be deterred from improving their homes because they will have to elevate 6 feet above BFE which they cannot afford when they improve their homes above 50 percent of its value, hence those in most need of shelter will witness the deterioration of their homes and be forced to relocate; and

WHEREAS, the Federal Emergency Management Agency (FEMA) is also in the process of preparing detailed updates to the flood insurance rate maps (FIRMS) that take into account many factors of risk including sea level rise; and

WHEREAS, the State of New Jersey has historically used these maps to guide public policy, and therefore, the City of Brigantine urges the State to differ to the superseding governing body, in this instance FEMA, and wait until the new FIRMS have been

posted before expanding flood hazard areas through a streamlined State authorization; and

WHEREAS, while recognizing the importance of addressing climate change, as stated previously, the City of Brigantine believes that a more gradual and balanced approach is necessary to target incremental adjustments over time in order to mitigate the potential negative impacts that these radically changing rules will have on the coastal towns of New Jersey; and

WHEREAS, it is imperative that the State of New Jersey consider the disproportionate burden resulting from the implementation of such stringent regulatory standards that will challenge the people of New Jersey living, working, and visiting in the coastal zones.

NOW, THEREFORE, BE IT RESOLVED, the City of Brigantine strongly recommends the following:

1. The City of Brigantine requests a comprehensive and independent analysis of the potential economic and social impacts of the proposed regulations, including a focus on protecting the interests of low and moderate income families.
2. The City of Brigantine requests that the State of New Jersey engage the Legislature and enact these rules through the typical legislative process, in order to give the people of New Jersey a voice, rather than through an Executive Order with limited public engagement.
3. The City of Brigantine requests that these regulations be based on a 20- or 30-year timeframe that is adjusted over time to reflect sea level rise and resiliency measures, rather than based on an 80-year projection.
4. The City of Brigantine requests that the State of New Jersey consider the inclusion of a budgetary appropriation to assist towns with the implementation of these rules and further, appropriate funding to implement a State grant program to support coastal resiliency projects that will inevitably incur greater costs due to the higher regulatory standards that includes significantly higher elevation requirements for new roads.
5. In advance of these Rules potentially being voted into law, the City of Brigantine requests that the State of New Jersey follow the same practice as FEMA and prepare detailed flood maps, and further hold public engagement sessions across the State, so that communities and residents can clearly understand how these regulations will impact their areas and properties.
6. The City of Brigantine hereby orders copies of this Resolution, attached Analysis Study, and Maps be transmitted to Governor Phil Murphy; Lieutenant

Governor Tahesha Way; Chief of Staff to Governor Murphy Diane Gutierrez-Scaccetti; Senate President Nicholas P. Scutari; Assembly Speaker Craig J. Coughlin; Senate Environment Committee Chair Bob Smith; Assembly Environment Committee Chair James J. Kennedy; the Office of Legislative District 1's Senator Michael Testa, Assemblyman Antwan McClellan, and Assemblyman Erik Simonsen; the New Jersey Association of Counties (NJAC); New Jersey Business and Industry Association (NJBIA); and the New Jersey League of Municipalities (NJLM) to convey the City of Brigantine's concerns and recommendations.

7. The City of Brigantine hereby orders copies of this Resolution be submitted as public comment on the NJ Register to serve as the municipality's official comments to the NJDEP's proposed NJPACT/REAL rules.

This is to certify that this is a true and correct copy of a resolution passed by the City Council of the City of Brigantine at their meeting held on October 2, 2024.

Lynn Sweeney, RMC City Clerk
City of Brigantine

**CITY OF BRIGANTINE
RESOLUTION 2024-**

WHEREAS, the City of Brigantine has surplus property which is not needed for public use; and

WHEREAS, the City of Brigantine, pursuant to 40A:11-36 of the Local Public Contracts Law, will offer such surplus property for sale at public auction; and

WHEREAS, the City of Brigantine shall conduct a sale of surplus property online. The address of the auction site is govdeals.com. The surplus property is being sold in an “as-is” condition without express or implied warranties. The surplus property being sold is as follows:

- 1) (1) 2008 Jeep Wrangler (Beach Badge Inspection) 33,837 Miles,
Vin #1J4FA24138L635952

All bidders must pre-register with GovDeals at govdeals.com. The successful bidder may be required to execute a hold harmless and indemnification agreement. The City of Brigantine reserves the right to accept or reject any bids submitted.

THIS RESOLUTION SHALL TAKE EFFECT IMMEDIATELY.

This is to certify that the above is a true and lawful copy of a resolution adopted by the City Council of the City of Brigantine, County of Atlantic, New Jersey at its meeting of October 2, 2024.

Lynn Sweeney, RMC, City Clerk

CITY OF BRIGANTINE

RESOLUTION 2024-

RESOLUTION TEMPORARILY WAIVING BULKHEAD FEES

WHEREAS, the City of Brigantine established bulkhead permit fees based upon whether the activity included full or partial reconstruction or maintenance of structures meant to mitigate tides whether created by erosion or storm surge; and

WHEREAS, the Ordinance permits the City Council to waive local permit fees by resolution when the reason for the construction fee was created by a natural condition, including but not limited to natural disasters, erosion and storm surges; and

WHEREAS, Cove Beach along the Absecon Inlet has experienced significant erosion and during high tides and storms resulting in continuing events of water washing over the jetty into the yards of the property owners backing up to Cove Beach; and

WHEREAS, the City continues to seek a long term solution by working with U.S. Congressman Van Drew and New Jersey Senator Polistina as well as multiple meetings with the Army Corp of Engineers, the New Jersey Department of Environmental Protection (NJDEP), Bureau of Coastal Engineering , NJDEP Bureau of Land Use Protection, and the Atlantic County Office of Emergent Management; and

WHEREAS, while the Army Corps of Engineers and the NJDEP recommended studies be performed to identify a long-term protection plan of the area, an immediate recommendation is that property owners seek emergency authorization from NJDEP for an individual permit to construct or replace the bulkhead structures on their properties; and

WHEREAS, the State and City highly recommend that the property owners along Sunset Court and Ocean Drive West immediately work with a coastal engineer to gain an understanding as to design and permitting that is most appropriate to their property including the replacement of their bulkhead; and

WHEREAS, the City seeks to waive the City's bulkhead permit fees for these properties under the terms expressed herein; and

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Brigantine, County of Atlantic, State of New Jersey that:

1. The City Council hereby waives the bulkhead permit fees for reconstruction and/or full replacement of the bulkhead adjacent to their properties as defined below.
2. The Property Owner/Contractor must apply for the permit no later than February 28, 2026;
3. This waiver is for a maximum of \$600 for the local construction permit or the highest rate for permit fees at the time of application.

4. This waiver does not affect any permit required to be obtained through the State of New Jersey Department of Environmental Protection and the costs related thereto.
5. If any of the listed properties have already commenced work and/or obtained their permit and paid the fee from June 1, 2024 through February 28, 2026, the City shall reimburse the property owner for the cost of such permit no greater than the \$600 fee.
6. This resolution is limited to the following properties:

Location	Block	Lots
Sunset Court	4402	8-10
Ocean Drive W.	4402	11-14
Ocean Drive W.	4401	1-8
Ocean Drive W.	4601	1-8
Ocean Drive W.	4602	1-8

CITY OF BRIGANTINE
RESOLUTION NO. 2024-

A RESOLUTION BY THE CITY OF BRIGANTINE AUTHORIZING
AWARD OF CONTRACT FOR BULKHEAD PERMITTING AND DESIGN SERVICES FOR THE BAY COURT
STREET BULKHEAD

WHEREAS, the City Council of the City of Brigantine authorized the acceptance of proposals for Bulkhead Permitting and Design for Bay Court Street end bulkhead from the City pool of engineers and;

WHEREAS, the City Engineer reviewed the proposals in accordance with applicable law, regulations, and procedures for the above-mentioned municipal contract; and

WHEREAS, Arthur Chew Consulting was the lowest responsible bidder for the above project; and

WHEREAS, the City Engineer and Manager recommends awarding Arthur Chew Consulting a contract for Bulkhead Permitting and Design Services; and

NOW, THEREFORE BE IT RESOLVED by the City Council of the City of Brigantine, County of Atlantic and State of New Jersey on this 2nd day of October 2024:

1. The contract is for Bulkhead Permitting and Design Services for the Bay Court Street Bulkhead
2. Arthur Chew Consulting is awarded this contract on their proposal with a \$6,000 for survey, permitting, certified mailing and design.
3. Albert Stanley, Chief Financial Officer of the City of Brigantine, does hereby certify that there are adequate funds available not to exceed \$6,000.00 in the Capital Account #C-04-23-016-510.
4. This resolution shall take effect immediately.

Application for a Raffle License

Application No. RA 1083
 Identification No. 58-1-12461

Submit four (4) copies of this application to the Municipal Clerk's office in the municipality where the games will be conducted.

Please print clearly.

Name of municipality: BRIGANTINE NJ

Part A - General

1. Name of applying organization: St Thomas Roman Catholic Church
- 2a. Street address of headquarters: 331 - 8th St So BRIGANTINE NJ 08203
- b. Mailing address (if different):
3. A license is requested to conduct raffles of the kind stated on the date, or on each of the dates, and during the hours listed (use a separate application for each type of raffle).

Date	Hours	Date	Hours
<u>11/15/2024</u>	<u>3hrs</u> <u>6-8 PM</u>		

4a. Address of place where raffles will be played: 331 - 8th St So BRIGANTINE NJ 08203

- b. Does the applicant own the premises or regularly occupy them for its general purposes? ☒ Yes ☐ No
5. If raffles equipment is to be rented, attach a statement by the raffles equipment lessor to this application on Form 13.

Part B - Schedule of Expenses

The items of expense intended to be incurred or paid in connection with the games listed in this application, the names and addresses of the persons to whom each item is to be paid, and the purpose for which each item is to be paid, are:

Item of Expense	Name and address of supplier	Purpose
<u>LICENSE</u>	<u>CITY OF BRIGANTINE</u>	<u>TO CONDUCT RAFFLE</u>
