APPLICATION FOR A DEVELOPMENT PERMIT

The National Flood Insurance Program's definition of development:

"Development" means any man-made change to improved or un-improved real estate, including, but not limited to building or other structures, mining, dredging, filling, grading, paving, excavation or drilling operations located within the area of special flood hazard zones.

RE: Application for a "Development Permit" within designated special flood hazard zones (A and V Zones) as required by the Flood Damage Prevention Ordinance of the City of Brigantine Chapter 181.

The following is a checklist, identifying information required by the persons applying for a Development Permit within designed special flood hazard areas or flood prone area as identified by the City of Brigantine's Flood Insurance Rate Map, Panel 1 & @ dated July 15, 1992 and Panel 3 dated September 15, 1983, Community number 345286.
