P.L. 2018, c. 127 establishes a prompt payment requirement that applies to goods and services contracts a contracting unit awards to a “business concern” under the Local Public Contracts Law (LPCL). The law applies to all goods and services contracts awarded on or after February 1, 2019 (the law’s effective date) regardless of dollar amount and any contracts requiring either a single payment or multiple payments. The law does not change the prompt payment requirements for improvements to real property and structures as set forth in N.J.S.A. 2A:30A-1 et seq. and described in LFN 2006-21. The law defines “Business Concern” as any person engaged in a trade or business, including a private nonprofit entity operating as an independent contractor, providing goods and services directly to a contracting unit or to a designated third party and operating pursuant to a contract with a contracting unit which requires either a single payment or multiple payments, but shall not include a “public utility” as defined in N.J.S.A. 48:2.13.

In the event the original contractor cannot meet this requirement, the owner may solicit the goods and/or services from any bidder on this contract.

2.9 Multiple Proposals Not Accepted

It is further mutually understood and agreed that the work and contract time embraced in this Contract shall commence on the date specified and that the resulting contract shall be completed in sequence and time frames identified by the owner.

The respondent agrees that said services shall be processed regularly, diligently, and uninterruptedly at such rate of progress as will ensure full completion thereof within the time specified. It is expressly understood and agreed, by and between the respondent and the owner, that the time of completion of the services described herein is a reasonable time for the completion of it.

2.13 Termination of Contract

If, through any cause, the contractor shall fail to fulfill in a timely and proper manner obligations under the Contract or if the contractor violates any requirements of the Contract, the owner shall thereupon have the right to terminate the Contract by giving written notice to the contractor of such termination at least thirty (30) days prior to the proposed effective date of the termination. Such termination shall relieve the owner of any obligation for the balances to the contractor of any sum or sums set forth in the Contract.

The contractor agrees to indemnify and hold the owner harmless from any liability to subcontractors/suppliers concerning payment for work performed or goods supplied arising out of the lawful termination of the Contract by the owner under this provision.

If funds are not allocated and available for the continuance of any services performed by the Contractor hereunder, whether in whole or in part, the owner at the end of any particular fiscal year may terminate such services. The owner will notify the Contractor in writing immediately of any services that will be affected by a shortage of appropriated funds. This provision shall not be construed so as to permit the owner to terminate this Agreement during the term, or any service hereunder, merely in order to acquire identical services from a third-party contractor.

2.15 Force Majeure

Neither party shall be responsible for any resulting loss nor obligation to fulfill duties as specified in any of the terms or provisions of this Agreement if the fulfillment of any term or provision of this Agreement is delayed or prevented by any revolutions, insurrections, riots, wars, acts of enemies, national emergencies, strikes, floods, fires, acts of God, or by any cause not within the control of the party whose performance is interfered with which by the exercise of reasonable diligence such party is unable to prevent. Additionally, if the fulfillment of any of the terms and provisions of this Agreement is delayed or prevented by any court order, or action or injunction or other such agreement, this Agreement shall become voidable by the owner by notice to each party.

2.16 The owner and the Contractor each bind themselves and their successors, executors, administrators, heirs

and assigns and legal representatives of the other party respecting all covenants and agreements and obligations of this contract.

Payment will be made on presentation of owner's voucher duly signed and executed.

The owner may withhold all or partial payments on account of subsequently discovered evidence including but not limited to the following:

1. Deliverables not complying with the project specification;
2. Claims filed or responsible evidence indicating probability of filing claims;
3. A reasonable doubt that the Contract can be completed for the balance then unpaid.

When the above grounds are removed, payment shall be made for amounts withheld because of them.

2.20 Non-payment of Penalties and Interest on Overdue Bills

Public funds may be used to pay only for goods delivered or services rendered. The City of Brigantine will not pay penalties and/or interest on overdue bills. No employee is authorized to sign a letter of credit or any other document that represents a legal commitment on the part of the owner to pay additional fees.

2.21 Ownership of Material

The owner shall retain all of its rights and interest in any and all documents and property both hard copy and digital furnished by the owner to the contractor for the purpose of assisting the contractor in the performance of this contract. All such items shall be returned immediately to the owner at the expiration or termination of the contract or completion of any related services, pursuant thereto, whichever comes first. None of the documents and/or property shall, without the written consent of the owner, be disclosed to others or used by the contractor or permitted by the contractor to be used by their parties at any time except in the performance of the resulting contract.

Ownership of all data, materials and documentation originated and prepared for the owner pursuant to this contract shall belong exclusively to the owner. All data, reports, computerized information, programs and materials related to this project shall be delivered to and become the property of the owner upon completion of the project. supplied to the owner may be required to be supplied on CD-ROM/USB flash drive media compatible with the owner's computer operating system windows based, Microsoft Office 2010.

Under state and federal statutes, certain government records are protected from public disclosure. The City, the Contractor and any Subcontractors have a responsibility and an obligation to safeguard from public access an employee's personal information with which it has been entrusted when disclosure thereof would violate the employee's reasonable expectation of privacy. All payroll, personnel and health insurance related files are confidential. Additionally, the Contractor and any Subcontractors may be privy to sensitive law enforcement information or investigations during their review which must remain confidential. The City reserves the right to make any public disclosure under the law. - Track and report the number of badges or passes given out per post/location by date and time.
- Create scanning / tracking system for seasonal beach badges.

The owner may extend the decision to award or reject all proposals beyond the sixty (60) calendar days when the proposals of any respondents who consent thereto may, at the request of the owner, be held for consideration for such longer period as may be agreed.

5.2 Rejection of Proposals

The owner reserves the right to reject any or all proposals, or to reject any proposals if the evidence submitted by, or investigation of such respondent fails to satisfy the owner that such respondent is properly qualified to carry out the obligations of the RFP and to complete the work contemplated therein. The owner reserves the right to waive any minor informality in the RFP.

5.3 Evaluation Process

An evaluation team comprised of representatives from the City will review all proposals to determine if they satisfy the Proposal Requirements, determine if a proposal should be rejected and evaluate the proposals based upon the Evaluation Criteria. The highest-ranking respondent will then be recommended to the governing body for award of contract, based on most advantageous price and other factors. The City reserves the right to reach out to the respondents to get clarification on Proposals on specific items if necessary during the deliberation process.

Evaluation Team – RFP respondents are prohibited from contacting any member of the evaluation team directly without a formal invitation. If it is found that a respondent has attempted to discuss their proposal with a team member without an invite then their proposal may be deemed unresponsive. All questions during the evaluation period shall be directed to the Purchasing Agent.

5.3.1 Evaluation Committee

Proposals will be evaluated by a committee composed of members of affected department with representative(s). The Chief Financial Officer, Superintendent of Public Works, Public Works Administrative Assistant and Beach Tag Supervisor.

5.3.2 Oral Presentation and/or Clarification of Proposals

After proposals are reviewed, one, some or all of the Bidders may be asked to clarify certain aspects of their proposals. Clarifications cannot correct any deficiencies or material or revise or modify a proposal, except to the extent that correction of apparent clerical mistakes results in a modification.

The bidder may be required to give an oral presentation to the City concerning its proposal. Bidders may not attend the oral presentations of their competitors.

It is within the City's discretion whether to require the Bidder to give an oral presentation or require the Bidder to submit written responses to questions of its proposal. Action by the City in this regard should not be construed to imply acceptance or rejection of a proposal.

5.4 Evaluation Criteria

The criteria considered in the evaluation of each proposal follow. The arrangement of the criteria is not meant to imply order of importance in the selection process. All criteria will be used to select the successful respondent.

This will be based on the quality of the content of the RFP and the respondent's ability to communicate a thorough understanding of the required tasks and the approach to meet the scope of work outlined in the RFP. The proposals will be evaluated for general compliance with instructions and requests issued in the RFP. Non-compliance with significant instructions will be grounds for disqualification of proposals.

5.4.1 Understanding of the Requested Work

The proposals will be evaluated for general compliance with instructions and requests issued in the RFP. Non-compliance with significant instructions shall be grounds for disqualification of proposals.

5.4.2 Knowledge and Technical Competence

This includes the ability of the respondent to perform all of the tasks and fulfill adequately the stated requirements.

5.4.3 Management, Experience and Personnel Qualifications

Expertise of the firm shall be demonstrated by past contract successes providing government agencies with similar services. The respondent will be evaluated on knowledge, experience, prior collaboration and successful completion of projects/services similar to that requested in this RFP. In addition to relevant experience, respondents shall provide personnel qualifications in the Proposal. (See 4.1 and 4.2).

5.4.4 Ability to Complete the Project/Services in a Timely Manner

This is based on the estimated duration of the tasks and the respondent's ability to accomplish these tasks as stated.

5.4.5 Cost

Price shall be based on submitted schedule of fees and the annual fee not to exceed \$45,000.00 Any services not included as part of any resulting contract scope of services must be approved and authorized by the owner before such work is initiated. The owner shall pay for such approved services, at the rate or cost agreed upon between the owner and contractor, and provided the respondent has provided a schedule of fees for additional services with this RFP.

5.5 Term of the contract

Any contract arising from the RFP will be for one (1) year with two (2) option years through City Resolution, contingent upon performance and funding.

5.6 Notice of Award

The successful respondent will be notified of the award of contract upon a favorable decision by the governing body.
