USER FRIENDLY BUDGET SECTION STRUCTURAL BUDGET IMBALANCES

	Revenues at Risk	Couring appropriation Future Sear App.	Line Item. Put "X" in cell to the left that corresponds to the type of imbalance.	Amount	Comment/Explanation
X			Fund Balance-City	\$3,200,000.00	Use of Fund Balance is based upon the avaiable balance and the long term budgeting process that
					the City has in place to reasonably expect that surplus used will be re-generated in conjunction with
					Other budget factors that anticipate the need to use less in the future.
X			Interest on Investments	\$15,000.00	Will depend on the interest rate fluctuations
X				\$132,719.61	Premium from bond sales to be applied to revenue for interest payamnets. There will be none in 2022.
X			State Aid	\$822,700.00	State Dependant
X			Fund Balance-Water & Sewer Utility		Use of Fund Balance is based upon the needs for the Water & Sewer operational needs including
					infrastructure and the cost of debt associated with it. The build up of fund balance over the last 6
					years has been with the anitipation of such infrastructure improvements. It is anticipated that most
					of the surplus will be regenerated.
		x	Water & Sewer Utility will be requiring a large amount of capital infusion for infrastructure. That could have an impact on their debt expense in future years.		
			Revenues have been estimated on a conservative basis. No one- time revenues anticipated in this budget. Although the events of the COVID 19 Virus may have an impact on revenues that cannot be anticipated at this time.		
			Revenues in 2020 fluctuated throughout all categories due to the pandemic. Estimates for 2021 where based upon 2020 reults. Revenues in 2020 fluctuated between categories but not entirely how they were anticipated in the budget process.

Is the Local Government required to comply with NJSA 11A (Civil Service)? - YES or NO

no

Note - <u>Base Pay</u> is the annualized rate of pay to which overtime (if eligible) and/or pension is calculated. Either calculation is fine at the discretion of the Local Unit. Overtime and other compensation is any other item that is charged as a salary and wage expense but not included in Base Pay.
