

**City of Brigantine  
Resolution 2025-87**

**Support Community Project Funding Application**

**WHEREAS**, Community Project Funding (CPF) is defined as any congressionally directed spending, tax benefit or tariff benefit that would benefit an entity or a specific state, locality or congressional district. Potentially eligible projects range from infrastructure, community programs, university research, hospitals and other local initiatives; and

**WHEREAS**, each member of Congress is responsible for identifying his or her own process and submission timeline. After their respective deadlines, each member will submit his or her requests to the Appropriations Committees to review the requests; and

**WHEREAS**, the New Jersey Congressional delegation is now accepting CPF applications for FY26; and

**WHEREAS**, community engagement and support are crucial in determining which projects are worthy of federal funding. To that end, Congressional members ask that applications include evidence of community support that served as compelling factors in the decision to submit project requests including:

- letters of support from elected community leaders (e.g., mayors or other officials)
- media articles highlighting the need for the requested CPF
- support from newspaper editorial boards
- projects listed on state intended use plans, community development plans or other publicly available planning documents, or
- resolutions passed by city councils or boards

**WHEREAS**, the Governing Body of the City of Brigantine strongly supports this CPF application for improvements to the Lighthouse Circle.

**NOW, THEREFORE, BE IT RESOLVED** that the Governing Body of the City of Brigantine formally supports this application.

**BE IT FURTHER RESOLVED** that the Mayor and Clerk are hereby authorized to submit a CPF application to the New Jersey Congressional Delegation on behalf of the City of Brigantine.
