

To all bidders, following is Clarification to the bid specs posted on the City's website:

Please be aware that the bid spec makes reference to the scope of work to be the "Main Roof Area" and approximately 116 Sq. It is the intent that main roof area is area west of the main entrance (where the cupola is located) and west of the flat roof towards the library. The Court section to the right of the cupola is not included in this bid.
