WHEREAS, the administrative regulations provide a procedure by which the ABC Director, upon a showing of “special cause,” may waive the requirements pertaining to time in existence and time in possession of a clubhouse for a club that is a duly enfranchised chapter or member of another club which has been in existence “for at least three years continuously immediately prior to the submission of the application for a license” (N.J.A.C. 13: 2-8.5); and

WHEREAS, in light of the aforementioned Goals and Objectives of the Redevelopment Plan, the fact that the Redevelopment Agreement specifically provides for issuance of a Club License, the fact that no objections to the issuance of a Club License have been received, the fact that upon completion of the Project “the conditions determined to exist at the time the area was determined to be in need of redevelopment shall be deemed to no longer exist” (N.J.S.A. 40A:12A-9), and the fact that this Body, as the issuing authority, is precluded from issuing a Club License to the Brigantine Paddle Club unless the ABC Director issues the waiver for which the Brigantine Paddle Club has applied, this Body, as the issuing authority and as the governing

body of the City, deems it appropriate to express its opinion to the Director of the Division of Alcoholic Beverage Control that the aforementioned waiver request that has been submitted by the Brigantine Paddle Club to the ABC should be granted because the Brigantine Paddle Club, in the opinion of this body, has demonstrated the requisite “special cause” for the issuance of such a waiver.

NOW, THEREFORE, BE IT RESOLVED by the Mayor and City Council of the City of Brigantine as follows:

1. All of the statements of the Preamble are repeated and are incorporated herein by this reference thereto as if each and every statement were repeated at length.
2. 3. The City Clerk is directed to transmit a certified copy of this Resolution to the Director of the Division of Alcoholic Beverage Control.

Hon. Vince Sera
Mayor

Brigantine, NJ 08203

August 9, 2022

Dear Mayor Sera,

It is once again time for the Anglers and their families of Atlantic County, and the many visitors that share our beautiful island home, to participate in the longest and oldest ongoing public fishing derby in the State of New Jersey.

The 2022 Atlantic County Surf Fishing Derby begins September 26th and once again we would respectfully request that you allow our anglers and their vehicles to drive on and fish the beaches of Brigantine with the Brigantine Beach Pass. As you know, all the other municipalities on Absecon Island, with the exception of Longport the last few years, allow our participants to do so.

We all once again look forward to a great Derby season with your support. Of course, any safety violation by any Derby participant will be dealt with immediate revocation of beach privileges.

Also, as in past years, we will be making a donation from the remaining proceeds of the Derby, after prize money and expenses are covered, to the PBA's of the participating municipalities.

Respectfully,

Ed Berger
