5.1 PROPOSALS TO REMAIN SUBJECT TO ACCEPTANCE

RFP responses shall remain open for a period of sixty (60) calendar days from the stated submittal date. The City will either award the Contract within the applicable time period or reject all proposals.

The City may extend the decision to award or reject all proposals beyond the sixty (60) calendar days when the proposals of any respondents who consent thereto may, at the request of the owner, be held for consideration for such longer period as may be agreed.

5.2 REJECTION OF PROPOSALS

The City reserves the right to reject any or all proposals, or to reject any proposals if the evidence submitted by, or investigation of such respondent fails to satisfy the City that such respondent is properly qualified to carry out the obligations of the RFP and to complete the work contemplated therein. The City reserves the right to waive any minor informality in the RFP.

5.3 EVALUATION PROCESS

An evaluation team will review all proposals to determine if they satisfy the Proposal Requirements, determine if a proposal should be rejected and evaluate the proposals based upon the Evaluation Criteria. The highest-ranking respondent will then be recommended to the governing body for award of contract, based on price and other factors. The City reserves the right to reach out to the respondents to get clarification on Proposals on specific items if necessary, during the deliberation process.

Evaluation Team – RFP respondents are prohibited from contacting any member of the evaluation team directly without a formal invitation. If it is found that a respondent has attempted to discuss their proposal with a team member without an invite then their proposal may be deemed unresponsive. All questions during the evaluation period shall be directed to the Purchasing Agent.

5.4 EVALUATION CRITERIA

The criterion considered in the evaluation of each proposal follows. The arrangement of the criteria is not meant to imply order of importance in the selection process. All criteria will be used to select the successful respondent.

This will be based on the quality of the content of the RFP and the respondent's ability to communicate a thorough understanding of the required tasks and the approach to meet the scope of work outlined in the RFP. The proposals will be evaluated for general compliance with instructions and requests issued in the RFP. Non-compliance with significant instructions will be grounds for disqualification of proposals.

5.4.3 MANAGEMENT, EXPERIENCE AND PERSONAL QUALIFICATIONS

Expertise of the firm shall be demonstrated by past contract successes providing government or other agencies with similar services. The respondent will be evaluated on knowledge, experience, prior collaboration and successful completion of projects/services similar to that requested in this RFP. In addition to relevant experience, respondents shall provide personnel qualifications in the Proposal.

5.4.4 ABILITY TO COMPLETE THE SERVICES IN A TIMELY MANNER

This is based on the estimated duration of the tasks and the respondent's ability to accomplish these tasks as stated.

5.4.5 COST

Price shall be based on hourly rates and schedules of fees submitted with the proposal. Any services not included as part of any resulting contract scope of services must be approved and authorized by the City before such work is initiated. The City shall pay for such approved services, at the rate or cost agreed upon between the City and contractor, and provided the respondent has provided a schedule of fees for additional services with this RFP.
