

# Brigantine Beach Community Center

## Online Registration Guide

The Brigantine Beach Community Center (CER) prides itself on offering a variety of programs and classes for the Brigantine and surrounding communities. These offerings include group fitness classes, art classes, youth programs, and instructional classes like Italian and Film courses. Historically, registration would take place in-person, but has changed with the movement to a new online registration platform, RecDesk.

All classes and programs are listed on the RecDesk website and users can filter by specific class type to find the class that fits their needs. Once a class is selected, users will add the class to their shopping cart and will be prompted to pay online with a credit card. Anyone looking to pay with a check will be required to come to the CER to register in-person. **We cannot accept cash or registrations over the phone.**

The information in this packet will walk through the steps of accessing the RecDesk website, creating an account, adding household members, viewing programs, and registering for programs. Please read through it carefully to ensure you are following the steps accurately.

CER staff will happily create an account and work through the registration process with anyone needing assistance. If you or someone you know does not have a device with internet access but wants to register on their own, the Brigantine Library and its staff are also available to help anyone looking to use a library computer.

All questions about the new online registration process can be directed to the CER by calling (609) 264-7350 ext. 1.
