## REGISTRATION PROCESS

The Brigantine Beach Community Center (CER) prides itself on offering a variety of programs and classes for the Brigantine and surrounding communities. If you are interested in registering for CER programs for the Spring Session you are able to do so online or in-person. Online registration can be done at [Brigantine.RecDesk.com](http://Brigantine.RecDesk.com).

CER staff will happily create an account and work through the registration process with anyone needing assistance. If you or someone you know does not have a device with internet access but wants to register on their own, the Brigantine Library and its staff are also available to help anyone looking to use a library computer.

When registering online all classes and programs will be listed on the RecDesk website. Once a class is selected, users will add the class to their shopping cart and will be prompted to pay online with a credit card. Anyone looking to pay with a check will be required to come to the CER to register in-person. We cannot accept cash or registrations over the phone. We do not pro-rate classes once the sessions begin.

Aside from program registration, the RecDesk website has a calendar feature which shows up-to-date information about open gym times and room availability. All questions about the online registration process can be directed to the CER by calling (609) 264-7350 ext. 1

***NOTICE: CER will be closed on Monday 5/26, Tuesday 6/10, & Friday 6/20***

### **PAINTING WITH ACRYLICS**

Acrylic is the perfect medium to try in order to create vibrant landscapes, still life and abstract paintings. In class you will learn the foundations of working with the painting in thin layers like watercolors or in thicker, more opaque applications like oil paint. Since acrylic paint dries quickly, it can be painted over many times until the artist is satisfied with the results. The paint can be diluted and cleaned with water, making it simple to use and odorless. We will learn about the setup and materials, color mixing and pigment choice, brush-handling and palette-knife techniques. All adults are welcome whether you are a beginner or an experienced artist. **CLASS LIMIT 12.**
