REGISTRATION PROCESS

The Brigantine Beach Community Center (CER) prides itself on offering a variety of programs and classes for the Brigantine and surrounding communities. If you are interested in registering for CER programs for the upcoming session you can register online or in-person. Online registration can be done at Brigantine.RecDesk.com. If you need assistance, CER staff will happily create an account and work through the registration process with you. If you or someone you know does not have a device with internet access but wants to register on their own, the Brigantine Library and its staff are also available to help anyone looking to use a library computer.

When registering online, all classes and programs will be listed on the RecDesk website. Once a class is selected, participants will add the class to their shopping cart and will be prompted to pay online with a credit card. Credit payments have a 3% fee associated. Anyone looking to pay with a check will be required to come to the CER to register in-person. We cannot accept cash or registrations over the phone. We do not pro-rate classes once the sessions begin. Questions about the online registration process can be directed to the CER by calling (609) 264-7350.

FREQUENTLY ASKED QUESTIONS

What is the registration timeline?

Registration opens on March 16th at 8am and will remain open until the Friday before classes start. Anyone looking to register after classes start needs to call or come into the CER. We provide class lists to all instructors, so doing late registrations in-house helps us notify instructors of newly added participants.

Do you allow drop-ins or pro-rate for late registration?

Not at this time. We are hoping we can enable a drop-in feature in the future and have a few systems we're looking to test in the near future. We do not pro-rate for any of our classes.

What if a class isn't for me or I can't continue with the class this session?

We will happily assist you with transferring to a new class or give you a Household Credit, which can be applied to future registrations for you or anyone in your family. Just stop by the office or send us an email and we can work through the options!

How will I find out about class cancellations or makeups?

Everyone has access to their household calendar on RecDesk. You can access your calendar by logging into your RecDesk profile and clicking the  button. This will show every class and program you and your family are registered for. When a class is cancelled, we adjust the schedule as soon as possible, so it's safe to assume your calendar is showing the correct class start and end dates.

Do you provide weights and mats for fitness classes?

We do not provide weights and mats. Some instructors provide equipment for their classes, but it's important to read the class description to ensure you are bringing the correct items to class.

Do you take suggestions for future programs?

Yes! We send a survey to all RecDesk and Court Reserve users at the end of each session and refer to those responses when brainstorming for the future. From changing the registration start time to minimizing the amount of time-off between classes, your feedback has directly impacted how we operate and we look forward to your suggestions. Our office door is always open for in-the-moment feedback as well!

Code of Conduct

Our goal is to create a welcoming environment for all participants. We ask that staff are treated with respect when you enter the Community Center and the outdoor courts, and during your time on the courts. We reserve the right to refuse or revoke privileges to any member or guest who violates our Code of Conduct.

- **Checking In:** All participants must check in with staff before entering the playing area. Repeated “no-shows” or missed check-ins may result in loss of privileges.
- **Equipment:** Indoor pickleball nets will be stored on the stage and feet will be stored in bags in the closet at the back of the gym. Ensure you are treating this equipment with respect and report issues if found. Pickleballs will be provided to the group weekly. Please place any cracked pickleballs in the “cracked pickleballs” container. We ask that all participants wear appropriate athletic shoes.
- **Sporting Behavior:** Treat all players, volunteers, staff, and spectators with courtesy and respect. At the end of each game, meet the other players at the net to acknowledge them in a positive manner. In officiated matches, thank the referee. As a stronger player in social play, be kind to other players. Avoid hitting excessively to a weaker player. Do not slam the ball directly at other players. Never throw your paddle or strike the ball in anger. Avoid excessive celebration and respect your opponents at all times. Be a respectful and supportive partner. Avoid criticism and negative non-verbal communications. Provide coaching and advice only when requested. Repeated offenses will result in loss of privileges.
- **Conflicts:** If you have concerns about someone playing at the wrong level, abusing the time allotted, or bending rules, please contact the staff. Repeated reports of concern will result in a Code of Conduct meeting with staff.
- **Courts:** Please wait in the designated waiting area until a court is available. This area is the stage for indoor play or the bench area for outdoor play. If you must cross over or behind an active court, wait until play is stopped and cross quickly in a single group to minimize disruption of that game. If people are still playing at your scheduled time, politely let them know you are there for your assigned session and allow them to finish the point.
- **Prohibited Items:** Foul language and obscene gestures. Bullying, harassment, threats, discriminatory language, verbal or physical abuse. Smoking, vaping, any other drug use, and drinking alcohol. Children are not permitted in the gym during pickleball playing time.
