Teamwork – Leadership – Commitment

As yesterday's defender of freedom, we want to welcome all veterans, especially today's military service members into our ranks to become part of our elite group. One common bond is the battlefield, whether it was service in WWII, Korea, Vietnam, Kosovo, Persian Gulf, the Global War on Terrorism, Iraq, Afghanistan, or Expeditionary campaigns. Your courage and sacrifices have made a difference in preserving world peace.

The Links at Brigantine Beach, one of the oldest and most historic golf courses in Atlantic County, was built in 1927 as part of Brigantine Island master plan. True to its historic Scottish roots, the links style layout offers breathtaking bay views. This 18-hole, par 72 course provides an exciting experience.
