**SUPPLEMENTAL INSTRUCTIONS FOR APPLICANTS
REQUESTING A VARIANCE TO BUILD ON UNDERSIZED LOTS**

When a hardship application is made for a variance to build on an undersized lot (that is, on a lot that does not meet the current zoning requirements for frontage, depth and/or area), the applicant must be prepared to prove that the hardship is not self-created.

You are advised that a non-conforming lot which was created by an illegal subdivision may be considered by the Board as a self-created hardship even though the illegal subdivision was carried out by a previous owner and not by the present applicant.

On all applications involving an undersized lot, the applicant may be required to produce:

1. Proof that the subject lot is the result of a legally approved subdivision.
2. Proof that the subject lot was subdivided at a time when the resulting dimensions conformed with the then applicable zoning requirements, and further that since that time the subject lot has not been owned by the owner of record of any adjoining parcel.

Approved at the Regular Meeting of the Board of Adjustment
On February 1, 1982.

INSTRUCTIONS FOR PROCESSING APPLICATIONS

CITY OF BRIGANTINE PLANNING BOARD

All Applicants must comply strictly with the following instructions for processing of applications before the Brigantine Planning Board. If, after reviewing these instructions, the Applicant has further questions, he should consult Ordinance No. 1 of 1977, Ordinance No. 22 of 1978, as amended (copies of which are available in the City Clerk's Office), and the New Jersey Municipal Land Use Law, N.J.S.A. 40:55 D-1, et seq, or seek the advice of an attorney.

The Planning Board is empowered by law to exercise its power in regard to applications for development, subdivision control, site plan review, variances, certain building permits in conjunction with subdivision, site plan and conditional use approval.

The Applicant must contact the Planning Board Secretary stating the nature of the request as follows: (a) minor subdivision, (b) major subdivision, (c) minor site plan, (d) major site plan (indicating whether (a) through (d) are preliminary or final), (e) classification for major subdivision, (g) pre-application review, (h) interpretation of the ordinance, or (i) variance. The Secretary will attempt to schedule the hearing for the next regular meeting of the Board taking into account the number of applications already scheduled and the strict notice requirements which are described below.

The Applicant should pick up copies of the application forms from the City Manager's Office in Brigantine City Hall. In particular, the Applicant should describe in detail the nature of the request, what action he proposes to take, and if applicable, what provisions of the Brigantine Zoning Ordinance he requests a variance from and the reasons why he feels he is entitled to the variance. The application forms must be signed by the Applicant and where applicable, the truth of the statements contained therein sworn to be true before a notary public, who must also sign the application and affix the notary seal and stamp thereto. As part of the application, the Applicant must provide copies of any correspondence the Applicant has had with the City Zoning office or Construction Code office.

If a variance is being requested, the Applicant should at this time, request from the Tax Assessor's Office a certified list of names and addresses of all owners of property located within two hundred (200) feet in all directions of the property which is the subject of the application. The Tax Assessor shall within seven (7) working days make and certify a list from the current tax duplicates of names and addresses to whom the Applicant is required to file notice. A fee of \$10.00 will be charged by the Tax Assessor for preparation of this list and payment should be made by cash or check made payable to the City of Brigantine. The Applicant shall be entitled to rely upon the information contained in said list and failure to give notice to any owner not on the list shall not invalidate any hearing or proceeding.

Public notice of a hearing, in accordance with 40:55-12, on an application for development shall be given except as delineated in the Municipal Land Use Law. Notice of a hearing requiring public notice shall be given to the owners of all real property as shown on the current tax duplicate located in the City within two hundred (200) feet in all directions of the property which is the subject of the hearing. Notice shall be given by (1) serving a copy thereof on the property owner or his agent in charge of the property, or (2) mailing a copy thereof by certified mail to the property owner at his address as shown on the current tax duplicate. Notice of hearings on applications for development involving property located within 200 feet on any adjoining municipality shall be given by personal service or certified mail to the Clerk of such municipality. Notice of a

hearing on an application for development of property adjacent to an existing County road shall be given to the County Planning Board. When applicable, the Applicant shall file an affidavit of proof of service with the Planning/Zoning Board. All notices shall be given at least ten (10) days before the scheduled date of the hearing. However, you may not notice until you have received confirmation from the Board Secretary that you are actually scheduled for a particular meeting date.

The Applicant should file three (3) copies of the application with the Secretary of the Board along with three (3) copies of all pertinent plans, together with **checks made payable to the City of Brigantine**, (one check for the City fees labeled application fees and one check for the engineer's and planner's fees labeled escrow fees) covering the appropriate fees (see fee schedule) by the deadline for the desired meeting date. The review committee will then review the submission and either deem it incomplete or able to be recommended to the Board for completeness on the night of the hearing. If the committee is going to recommend that the Board deem your application complete, you will then have a determined amount of days to submit an additional 21 copies of the application package if no corrections are required. If corrections or additional information is required, an additional 24 copies of the complete application must be submitted. The first 3 packages and the additional 21 packages **MUST** be submitted in the manner explained below:

ALL PLANS MUST BE FOLDED (MAXIMUM SIZE - 9" X 12") AND ALL APPLICATIONS AND SUPPORTING DOCUMENTS MUST BE INCLUDED INDIVIDUALLY WITH EACH SET OF PLANS. EACH PACKAGE MUST BE IN ITS OWN ENVELOPE (LEAVE UNSEALED) ADDRESSED TO THE PROPER BOARD MEMBER OR CITY OFFICIAL. POSTAGE MUST BE INCLUDED ON EACH ENVELOPE UNLESS OTHERWISE NOTED. (SEE NEXT THREE PAGES FOR NAMES).

One copy of the complete package shall be on file and available for public review during normal business hours in the Brigantine Tax Collectors Office at City Hall. (The Board Secretary will take care of delivering these.) The Applicant may produce other documents, records or testimony at the hearing to substantiate, clarify or supplement the previously filed plans, maps or documents.

The Applicant should contact the newspaper at least seventeen (17) days prior to the hearing in order to determine the newspaper's particular requirements and deadline for submitting copy. Thereafter, the Applicant should provide the newspaper with notice in the same form as the Notice of Application to Interested Parties, which is attached to these instructions.

When applicable, at least three (3) days before the date of hearing, the Applicant shall submit to the Secretary of the Planning Board an affidavit of Proof of Service according to the form attached to these instructions. The Applicant shall attach to the affidavit all certified mail receipts of Notice to Interested Parties and the Affidavit of Publication from the newspaper. If the Affidavit of Publication has not yet been received at the time, it may be forwarded to the Secretary of the Board upon receipt by the Applicant or at the hearing.

At least three (3) days prior to the date of hearing, the Applicant shall forward to the Secretary of the Board, proof that no taxes or assessments for local improvements are due on the property which is the subject of the application. Such proof shall be in the form of a copy of a receipted tax bill for the current tax quarter or a signed statement from the City Tax Collector that there are no taxes or municipal assessments due on the property through the current tax quarter.

At the request of the Applicant, the Planning Board shall grant a pre-application review. This is an informal, non-binding review of a concept plan for development for which the Applicant intends to prepare and submit an application for development. The Applicant shall submit a letter of request to the Planning Board Secretary identifying the proposed development and location. The Secretary shall schedule the review as soon as practical. In accordance with 40:55D 10.1 of the Municipal Land Use Law, the Applicant may be required to submit fees for an informal review. The Applicant shall not be bound by any concept plan for which review is requested and the Planning Board shall not be bound by any such review.

Purpose of Form					Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income.
